Memorandum

To A. N. Hepler, Board of Public Safety Date Feb. 17, 1977

From Purchasing Department

Subject Bid Ref. No. 755 - Mobile Radios. Police Department

COPIES TO: Chief Walsh Capt. Trulock A. C. Lord J. E. Kroener R. E. Winget G. V. Ramer

Enclosed you will find Bid Documents (Bid No. 755) relating to Purchase Order Number 4-00218 which is prepared favoring Motorola Communications & Electronics, Inc. for: Fourteen (14) Portable Transceivers with Accessories -Total price: \$27,349.50.

The following documents are attached in support of the recommendation for acceptance of Motorola's offer:

- 1. Copy of Tab Sheet
- 2. Copy of Mailing List
- 3. Copy of three (3) Bids submitted
- 4. Copy of Purchase Order
- 5. Statement from (Capt. Trulock) Communications Dept.

Seven (7) Vendors were mailed Invitations to Bid. Three (3) Bids were received.

The enclosed Bid Tabulation shows General Electric as low Bidder at \$18,288.00, Parkerson's offering was \$18,867.42. After a thorough study of all Bids offered by Capt. Trulock, Asst Chief, Technical Division, Communications Dept., it is recommended to award the Bid to Motorola for the following reasons:

- General Electric Co. and Parkerson Electronics can not furnish Transmit and Receive Frequency of 5.0 MHZ minimum, while maintaining other important specifications.
 - a. The General Electric unit is unable to transmit on all frequencies, i.e. Fire, Police, Water, Board of Works channels, etc.
 - b. The Parkerson unit is able to transmit on the required frequencies, but is unable to reject unwanted signals and to properly reproduce desired signals. It is also questionable as to its ability to operate under severe cold weather conditions.
- Motorola can meet all required specifications and provide the following additional features:
 - a. Frequency Transmit and Receive on all City channels as noted above, reproduce all desired signals and reject unwanted signals.
 - b. Higher power capability
 - c. Improved Engineering features

Motorola units, although more expensive, if prorated over 10 years of usage as required by the Federal Law Enforcement Assistance Administration and based on the City's prior experience are expected to continue service-able. At this time the Ft Wayne Fire Dept. and Communications Dept. are using Hand held mobile Motorola radios that were purchased in 1965 and are operating efficiently to date.

The Communications Dept. is maintaining on file a Motorola Statement of Specifications in support of any warranty questions.

Please process all of the attached documents for Council approval. Please make sure that no confirming Purchase Order Number is communicated to Motorola until evidence of approval by Council is furnished to the Purchasing Department.

Proposal for Hand-Held Portable Radio Bid Change Submitted by: Bill Trulock, Communications

The initial award to Parkerson Electronics was suggested in the main because this product offered, at a reasonable price, the ability of a hand-held radio to communicate both on our widely separated Police Frequencies as well as the Fire, Water and Board of Works Channels.

There are certain other specifications however, that came to my attention after I recommended this unit, that I feel cannot be overlooked.

These specifications concern this particular radio's ability to reject unwanted signals and to properly reproduce desired signals. There is question also of the radio's ability to operate under severe cold weather conditions .

I therefore recommend that the low bid, General Electric and the bid for Parkerson Electronics be rejected and the bid from Motorola Electronics be accepted.

I have requested a statement of specifications to retain on file from Motorola.

My opinion is that in all respects the Motorola product is a superior radio.

Sincerely.

Capt. Bill Trubock

PORTABLE RADIO EUGIPMENT TERM CONTRACT

For furnishing during the period of the contract and at the prices indicated the requirements of the commodities listed herein which may be required by the various Departments and Divisions of the City from time to time. It is understood that the quantities are approximate only and in no way shall govern the amount required during the period of the contract. The estimated quantities will be used solely for the purpose of making a comparison of bids.

DELIVERY AND CONTRACT PERIOD:

The commodity shall be delivered to the various Departments of the City as needed and ordered beginning on the date of the contract award and ending one year later.

Each release for delivery shall be evidenced by a regular Purchase Order issued by or on behalf of the using Department.

The units shall be the manufacturer's latest and most recent design and currently in production and shall be the Contractor's top line product. He shall not propose in his bid a second grade, ecomony line or so-called leader line. The intent of this stipulation is to insure bidders an equal opportunity in relation to quality, engineering and design.

PRICING - INVOICING:

The bidder's prices shall include all delivery and packaging charges and shall be submitted in the Bidder Proposal Section included herein. Invoices must be submitted to the using Department together with the City's standard claim form for each using Department.

AWARD:

The prices shall be quoted on the units requested; however, the City reserves the right to accept or reject any item in the bid.

OPTIONAL RENEWAL:

By mutual agreement between the City and the Contractor, the Contract period may be extended for an additional period not to exceed one (1) year. However, the agreement to extend must be completed in writing not less than fifteen (15) days prior to end of original year contract. The Contract may be extended only at the same price and yader the same conditions governing the original Contract. Estimated requirements for the optional renewal period herein are estimated to approximate the estimated quantities set forth in the initial contract period; however, as provided above, the estimated amount shall in no way govern the amount required during any optional renewal period.

its true and lawful attorneys(s)-in-fact to execute, seal and deliver for and on its behalf as surety, any and all bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof, which are or may be allowed, required or permitted by law, statute, rule, requisition, contract or otherwise, and the execution of such instrument(s) in pursuance of these presents, shall be as binding upon the said S. Paul Five and Marine Insurance Company, as fully and amply, to all intents and purposes, as if the same had been duly executed and acknowledged by its regularly elected officers at its principal office.

This Power of Attorney is executed, and may be certified to and may be revoked, pursuant to and by authority of Article V.—Section 6(C), of the By-Laws adopted by the Board of Directors of the ST. PAUL FIRE AND MARINE INSURANCE COMPANY at a meeting called and held on the 23rd day of January, 1970, of which the following is a true transcript of said Section 6(C).

"The President or any Vice President, Assistant Vice President, Secretary or Resident Secretary, shall have power and authority

- (1) To appoint Attorneys-in-fact, and to authorize them to execute on behalf of the Company, and attach the Seal of the Company thereto, bonds and undertakings, recognizances, contracts of indemnity and other writings obligatory in the nature thereof, and
- (2) To appoint Special Attorneys-in-fact, who are hereby authorized to certify to copies of any power-of-attorney issued in pursuance of this section and/or any of the By-Laws of the Company, and
- (3) To remove, at any time, any such Attorney-in-fact or Special Attorney-in-fact and revoke the authority given him."

Further, this Power of Attorney is signed and sealed by facsimile pursuant to resolution of the Board of Directors of said Company adopted at a meeting duly called and held on the 6th day of May, 1959, of which the following is a true excerpt:

"Now therefore the signatures of such officers and the seal of the Company may be affixed to any such power of attorney or any certificate relating thereto by facsimile, and any such power of attorney or certificate bearing such facsimile signatures or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by facsimile signatures and facsimile seal shall be valid and binding upon the Company in the future with respect to any bond or undertaking to which it is tatched."

IN TESTIMONY WHEREOF, the St. Paul Fire and Marine Insurance Company has caused this instrument to be signed and

its corporate seal to be affixed by its authorized officer, this 28th day of Aug.

GHARANTEE

All Motorola radio equipment and parts, other than batteries and "Permakay" filters are guaranteed by Motorola for a period of one year against defects in design, material and workmanship. The warranty period will start with the date of shipment in this case. Filters are unconditionally sugranteed for the life of the equipment.

Labor for the replacement of defective material is a service charge to be borne by the customer unless covered by a motorola Maintenance Contract.

Rechargeable nickel-cadmium batteries sold by Motorola for use in .X300 series portables are guaranteed for one full year from date of shipment, and will be replaced without cost during this period if:

1) the battery capacity falls below rated anacity by 20%, or

2) the battery develops leakage.

Replacement batteries are guaranteed only for the remaining unexpired period of the original battery guarantee.

This wurrentee becomes void of other than specified equipment or charging procedures are utilized.

All work would be done by Emergency Radio Service in Fort Wayne, Indiana in a business-like and expeditious manner considering that first priority is given to those holders of Motorola Maintenance Contracts.
